### SYN-TECH SYSTEMS, INC.

1. **APPLICABILITY.** These Terms and Conditions of Sale (the “**Terms and Conditions**”) apply to the purchase of products, the license of software and the provisions of ancillary services related thereto (collectively the “**Products**”) by Buyer from Seller, pursuant to a quotation, purchase order or other order acknowledgement and related attachments (herein collectively the “**Purchase Order**”). Buyer accepts these Terms and Conditions by signing and returning Seller’s quotation, by sending a purchase order in response to the quotation, or by Buyer’s instructions to Seller to ship the Products (or any portion thereof). No terms, conditions or warranties other than those identified in the quotation or purchase order (and which do not conflict with these Terms and Conditions) and no agreement or understanding, oral or written, in any way purporting to modify these Term and Conditions whether contained in Buyer's purchase order or shipping release forms, or elsewhere, shall be binding on Seller unless hereafter made in writing and signed by Seller's authorized representative. Buyer is hereby notified of Seller’s express rejection of any terms inconsistent with these Terms and Conditions or to any other terms proposed by Buyer not included herein or the Purchase Order. All references in this document to “**Seller**” shall include Syn-tech Systems, Inc. and / or any parent, subsidiary or affiliate of Syn-tech Systems, Inc. (including any division of the foregoing) whether or not performing any or all of the scope hereunder or specifically identified herein. All references to “**Buyer**” shall include all parent(s), subsidiaries and affiliates of the entity placing the order. Buyer and Seller may be referred to individually as a “**Party**” and collectively as “**Parties**”. As used herein, “**Agreement**” means these Terms and Conditions and the applicable Purchase Order (to the extent that the Purchase Order does not conflict with these Terms and Conditions).

2. **CONFLICT OF TERMS.** All sales to Buyer are subject to these Terms and Conditions, which shall prevail over any inconsistent terms of Buyer’s Purchase Order or other documents. No modification or alteration of these Terms and Conditions shall result by Seller’s shipment of goods following receipt of Buyer’s Purchase Order, or other documents containing additional, conflicting or inconsistent terms. There are no terms, conditions, understandings, or agreements other than those stated herein, and all prior proposals and negotiations are merged herein. These Terms and Conditions are binding on the Parties, their successors, and permitted assigns.

3. **PRICE.** Prices in any quotation from Seller are subject to change upon notice sent to Buyer at any time before the Purchase Order has been accepted by Seller. Prices for Products covered by this Agreement may be adjusted by Seller (herein a “**Price Adjustment**”), upon notice to Buyer (herein an “**Adjustment Notice**”) at any time prior to shipment, to reflect any increase in Seller’s cost of raw materials (e.g., steel, aluminum) or any surcharge or other cost increase incurred by Seller after issuance of the applicable Purchase Order. Upon an Adjustment Notice, Buyer shall, within thirty (30) days following the Adjustment Notice, either accept the price adjustment or reject the price adjustment. Upon rejection of the Price Adjustment, either Party to this Agreement may terminate this Agreement; provide however that Buyer will pay to Seller all amounts due through the date of termination. All stated prices are exclusive of any taxes, fees, duties, and levies, however designated or imposed, including but not limited to value-added and withholding taxes that are levied or based upon the amounts paid under this Agreement (collectively, “**Taxes**”). Any Taxes related to the Products purchased pursuant to this Agreement are the responsibility of Buyer (excluding taxes based on Seller’s net

income), unless Buyer presents an exemption certificate acceptable to Seller and the applicable taxing authorities. If possible, Seller will bill Taxes as a separate item on the invoice presented to Buyer. If any exemption certificate presented by Buyer is held to be invalid, then Buyer will pay Seller the amount of the Tax and any penalties and interest related thereto.

4. **INVOICE; PAYMENT.** Seller shall be entitled to invoice Buyer upon the earlier to occur of (i) shipment of the Products or (ii) completion of services relating thereto (as applicable). Without in any way limiting the terms of the immediately preceding sentence, payment of license fees and of services relating to FMLive (and whether such are one-time (non-recurring) fees or annually recurring fees) shall be paid upon the shipment of the Products (FMUs). Unless otherwise set forth in the Purchase Order, Buyer will pay all invoiced amounts within thirty (30) days following the date of Seller's invoice. Unpaid amounts will accrue interest at a rate equal to the lesser of one and one-half percent (1.5%) per month and the maximum rate permitted by applicable law, from due date until paid, plus Seller's reasonable attorney fees, costs and expenses of collection. Seller reserves all other rights granted to a seller under the Uniform Commercial Code ("**UCC**") for Buyer's failure to pay for the Products or any other breach by Buyer of these Terms and Conditions. In addition to all other remedies available to Seller (which Seller does not waive by the exercise of any rights hereunder), Seller may suspend the delivery of any Products if Buyer fails to pay any amounts when due and the failure continues for five (5) days following Buyer's receipt of notice thereof. Buyer may not withhold payment of any amounts due and payable as a set-off of any claim or dispute with Seller, regardless of whether relating to Seller's breach, bankruptcy, or otherwise.

5. **DELIVERY.** All delivery dates are approximate. Seller will use commercially reasonable efforts to fill orders according to the delivery dates acknowledged by Seller. Delivery may be made in installments. Default or delay by Seller in shipping or delivering the whole or any part or installment of the goods or services under this contract shall not affect any other portion thereof. In no event shall Seller be liable for any claims for labor or for any special, indirect, incidental, or consequential damages including, but not limited to, demurrage charges, cost of shipment, downtime, lost profits (whether direct or indirect), lost sales, or any other damages resulting from delay in delivery.

6. **SHIPMENT AND RISK OF LOSS.** Unless otherwise agreed in writing, Seller may, in its sole discretion, select the shipping method, the carrier and the applicable freight charges. Title to the Products and risk of loss to the Products shall pass to the Buyer at the point of shipment from Seller's facility, whether freight prepaid or freight collect to destination, regardless of which party selects the carrier and arranges the freight charges or particulars of shipment. Risk of loss for damage or delay in transit shall be borne by Buyer. Buyer shall file and pursue any claims directly with the carrier related to loss, damage or delay in transit, and Buyer shall not assert such claims against Seller or deduct from amounts owing to Seller.

7. **WARRANTY; ADDITIONAL MAINTENANCE SERVICES.** Seller provides a manufacturer's warranty covering Seller's products and services for either fifteen (15) months from the date of shipment or for twelve (12) months from the date of installation, whichever period ends first (the "**Covered Period**"). At the conclusion of the Covered Period, the parties may agree to implement a maintenance plan at a grade determined by Buyer.

Buyer further acknowledges that the Service Plan is available only within the applicable plan coverage areas, within operating range of wireless systems, and with equipment authorized by the Wireless Service Provider to operate on its network. In no way reducing the effectiveness of the waiver set forth above, any failure of Seller or its Wireless Service Provider to perform hereunder shall be excused if caused by failure of a third-party wireless or telecommunications provider serving a particular area, power failure, national emergency, interference by any governmental agency, acts of God, strikes, other labor disturbance, severe weather conditions, fire, terrorism, riots, war, earthquakes, or any other causes beyond Seller or its Wireless Service Provider's reasonable control. Notwithstanding the above, Seller will undertake reasonable efforts to ensure that migration of Wireless Service Providers to 4G and 5G networks (and away from 3G networks) will be supported by the Equipment and Software Applications.

#### **6. Relationships**

BUYER EXPRESSLY UNDERSTANDS AND AGREES THAT IT HAS NO CONTRACTUAL RELATIONSHIP WHATSOEVER WITH THE WIRELESS SERVICE PROVIDER OR ITS AFFILIATES OR CONTRACTORS AND THAT BUYER IS NOT A THIRD-PARTY BENEFICIARY OF ANY AGREEMENT BETWEEN THE WIRELESS SERVICE PROVIDER (INCLUDING ANY UNDERLYING

CARRIER) AND SELLER. IN ADDITION, BUYER ACKNOWLEDGES AND AGREES THAT THE WIRELESS SERVICE PROVIDER (INCLUDING ANY UNDERLYING CARRIER) AND THEIR AFFILIATES AND CONTRACTORS SHALL HAVE NO LEGAL, EQUITABLE, OR OTHER LIABILITY OF ANY KIND TO BUYER AND BUYER HEREBY WAIVES ANY AND ALL CLAIMS OR DEMANDS THEREFOR.

**7. Waivers.** Buyer acknowledges and agrees that Buyer is responsible for all maintenance and security with respect to the Wireless Equipment and Buyer's own network, server and other systems. Buyer does hereby waive any and all claims against Seller or any Wireless Service Provider (including any Underlying Carrier) for and with respect to any unauthorized use of Buyers network, service, other systems or data under the Service Plan.

#### **8. Authorized Usage**

Buyer agrees to use the Service Plan solely in connection with the operation of Wireless Equipment sold by Seller, or its authorized agent, to Buyer and applied to Machine-to-Machine communication systems with such devices installed within the Wireless Service Provider coverage area. Buyer may not use the Service Plan for any other use not specifically authorized herein. Unless specifically authorized

by Seller in writing or by a separate contract, Buyer may not sell, rent, lease, distribute, broadcast, sublicense, or otherwise assign this Agreement or any rights to the Service Plan to any third party(ies).

#### **9. Equipment Modification**

Buyer acknowledges that Seller provides certified Wireless Equipment to operate in accordance with the Wireless Service Provider's requirements for use on its network. Buyer agrees that it will in no way alter the Wireless Equipment, and that doing so may result in termination of the Service Plan by Seller.

#### **10. No Illegal Use and Reservation of Rights**

Buyer may not use the Service Plan for any illegal, unauthorized or fraudulent purpose. Buyer acknowledges that the sale of the Service Plan to the Buyer does not transfer to the Buyer title to or ownership of any intellectual property rights of Seller or its suppliers.

#### **11. Export Regulations**

Buyer acknowledges that the export, import, and use of certain hardware, software, and technological data provided under this Agreement is regulated by the United States and other governments and agrees to comply with all applicable laws and regulations, including the U.S. Export Administration Act. Buyer agrees to comply with all export and re-export restrictions and regulations of the Department of Commerce and other United States agencies and authorities, and not to transfer, or encourage, assist or authorize the transfer of the Service or Wireless Equipment to a prohibited country or otherwise in violation of any such restrictions or regulations.

#### **12. Termination**

Seller may, at Seller's option, terminate or suspend any and all of Buyer's rights under this Agreement and discontinue the Service Plan, upon thirty (30) days written notice to Buyer if (i) Buyer fails to comply with any term of this Agreement, or fails to make payment of any amounts due hereunder (including, without limitation, data overage charges), (ii) Buyer uses in excess of Buyer's allotted and allowable data allowance during a periodic billing term (as such allowance is provided in Part I of this Agreement), (iii) if Seller's relationship with the Wireless Service Provider expires, terminates, or modifies its terms with Seller in such a way that Seller must change the way it provides the Service Plan under this Agreement, as determined by Seller in Seller's sole discretion, (iv) Buyer files for or is involved in any bankruptcy proceedings, whether voluntary or involuntary, or (v) Buyer fails to comply with the law or requests of governmental entities. In case of termination, Seller may terminate providing the Service Plan to Buyer, Buyer must cease all use of the Service Plan, and Buyer shall ensure that the Wireless Equipment does not register or attempt to register on the Wireless Service Provider's network. Should Buyer fail to ensure that the Wireless Equipment does not register on the Wireless Service Provider's network, then, in such event, Buyer shall be responsible for any and all costs and fees required to be paid by the Wireless Service Provider. Seller's failure to insist upon or enforce strict compliance with this Agreement does not constitute a waiver of any of its rights hereunder or at law or in equity.

Either Buyer or Seller may terminate the Service Plan for convenience at any time upon ninety (90) days prior written notice to the other party. Upon termination by either Party, for convenience, Seller

shall refund to Buyer a prorated amount of any prepaid Software Fees prepaid by Buyer. Seller shall be entitled to retain (or Buyer shall pay) any and all other payments made or which are due pursuant to this Agreement.

### 13. **Fees**

Buyer acknowledges that Seller charges fees and costs for the use of the Service Plan. Seller reserves the right to discontinue providing the Service Plan at any time or to otherwise change the terms and conditions applicable to the Service Plan at any time, but only if Seller experiences an increase in fees charged to Seller by the applicable Service Provider and only to that amount incurred, including, but not limited to, with respect to (a) limiting the amount of data that may be utilized and/or transferred under the Service Plan, and (b) changing the amount and terms applicable for cellular data service charges. Buyer also acknowledges that the Service Plan has enforced limits on the amount of data utilized or transferred monthly, which, if exceeded, will result in additional fees to be paid by the Buyer, but only to the extent of the amount that Seller incurs additional expenses and fees by the applicable Service Provider. The initial fees and costs (herein referred to as the **Fees**) to be paid by Buyer under this Agreement are set forth in Part I of this Agreement. The Fees may be modified or increased by Seller at any time upon ninety (90) days prior written notice given to Buyer.

### 14. **Taxes**

Buyer will be responsible, as required under applicable law, for identifying and paying all taxes and other governmental fees and charges (and any penalties, interest, and other additions thereto) that are imposed on it upon or with respect to the transactions and payments under this Agreement.

### 15. **Disputed Charges**

In the event of disputed charges, Buyer must, as soon as practicable following identification of such dispute, but not to exceed 60 days from the due date of the bill, provide written notice to Seller, which shall include the date of the bill, disputed amounts, the reason for the dispute, and any supporting documentation. Both parties will use their good faith efforts to reconcile any disputed charges within 60 days of the date of notification.

BOTH PARTIES ACKNOWLEDGE THAT THE OTHER HAS ENTERED INTO THIS AGREEMENT IN RELIANCE UPON THE LIMITATIONS OF LIABILITY SET FORTH HEREIN AND THAT THE SAME IS AN ESSENTIAL BASIS OF THE BARGAIN BETWEEN THE PARTIES. IN ANY CASE, SELLER'S AGGREGATE LIABILITY UNDER THIS AGREEMENT SHALL BE LIMITED TO, AND SHALL NOT EXCEED, THE PRORATED ANNUAL AMOUNT PAID FOR THE SERVICE PLAN FOR THE PERIOD DURING WHICH SUCH DAMAGE OCCURRED.
